Mr. Mc Curdy

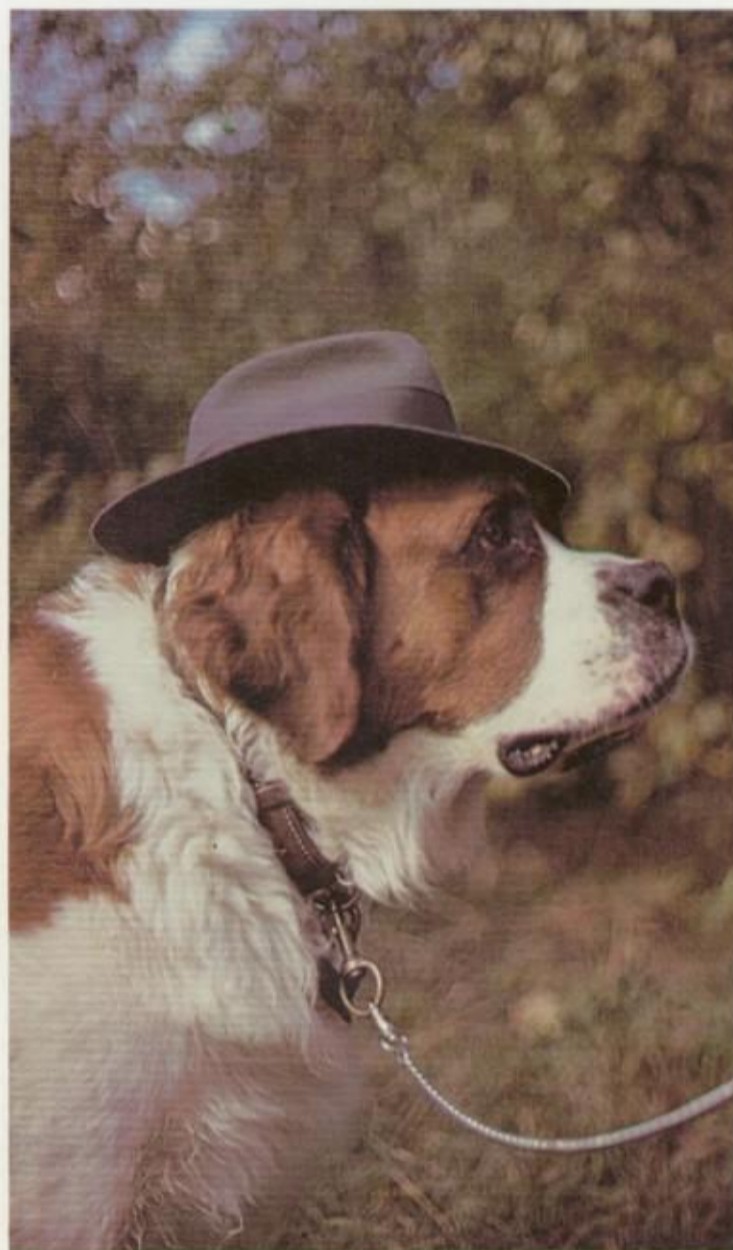

HADARONDAH

1978...

I saw the Days . . .

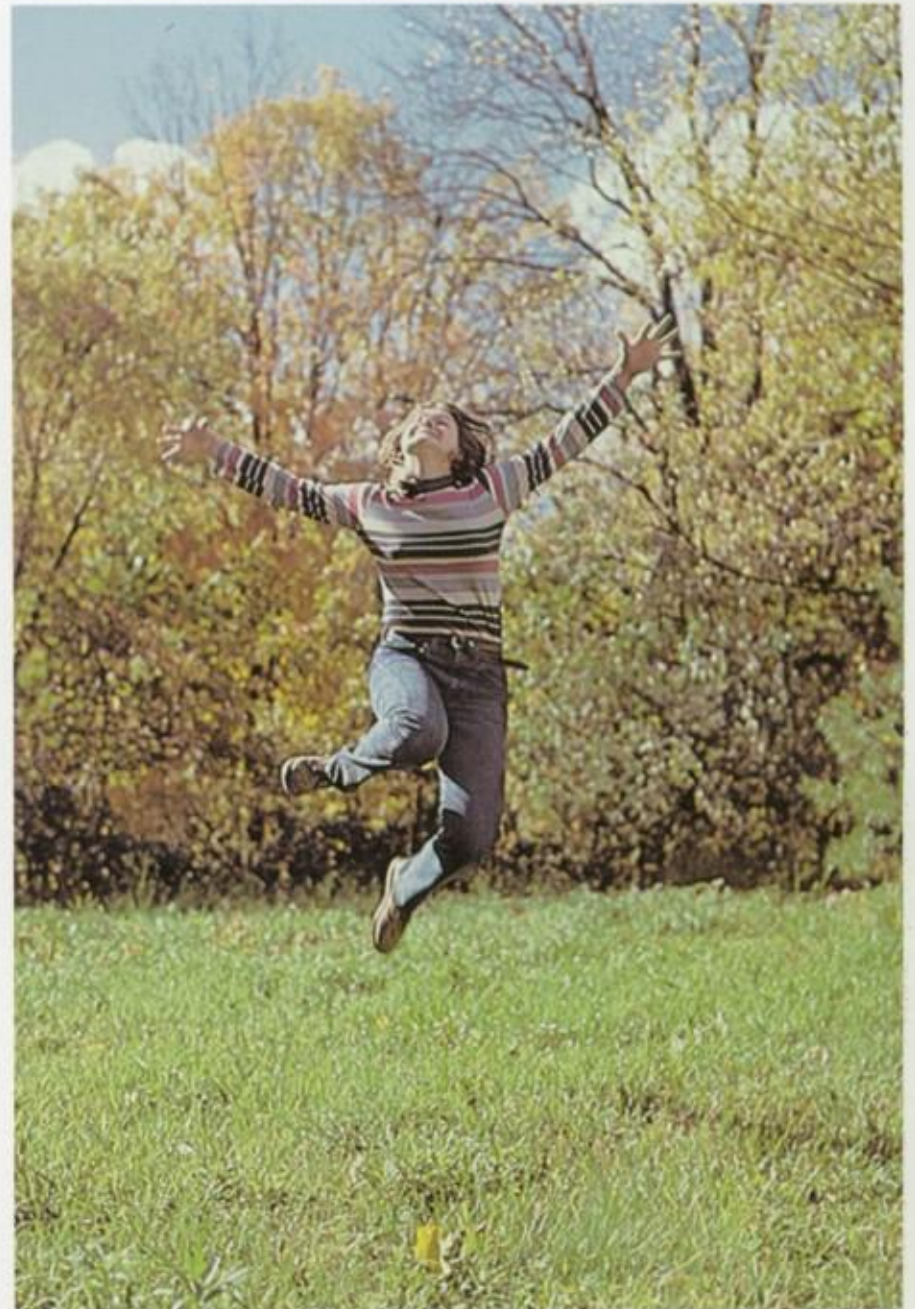

... when we knew joy

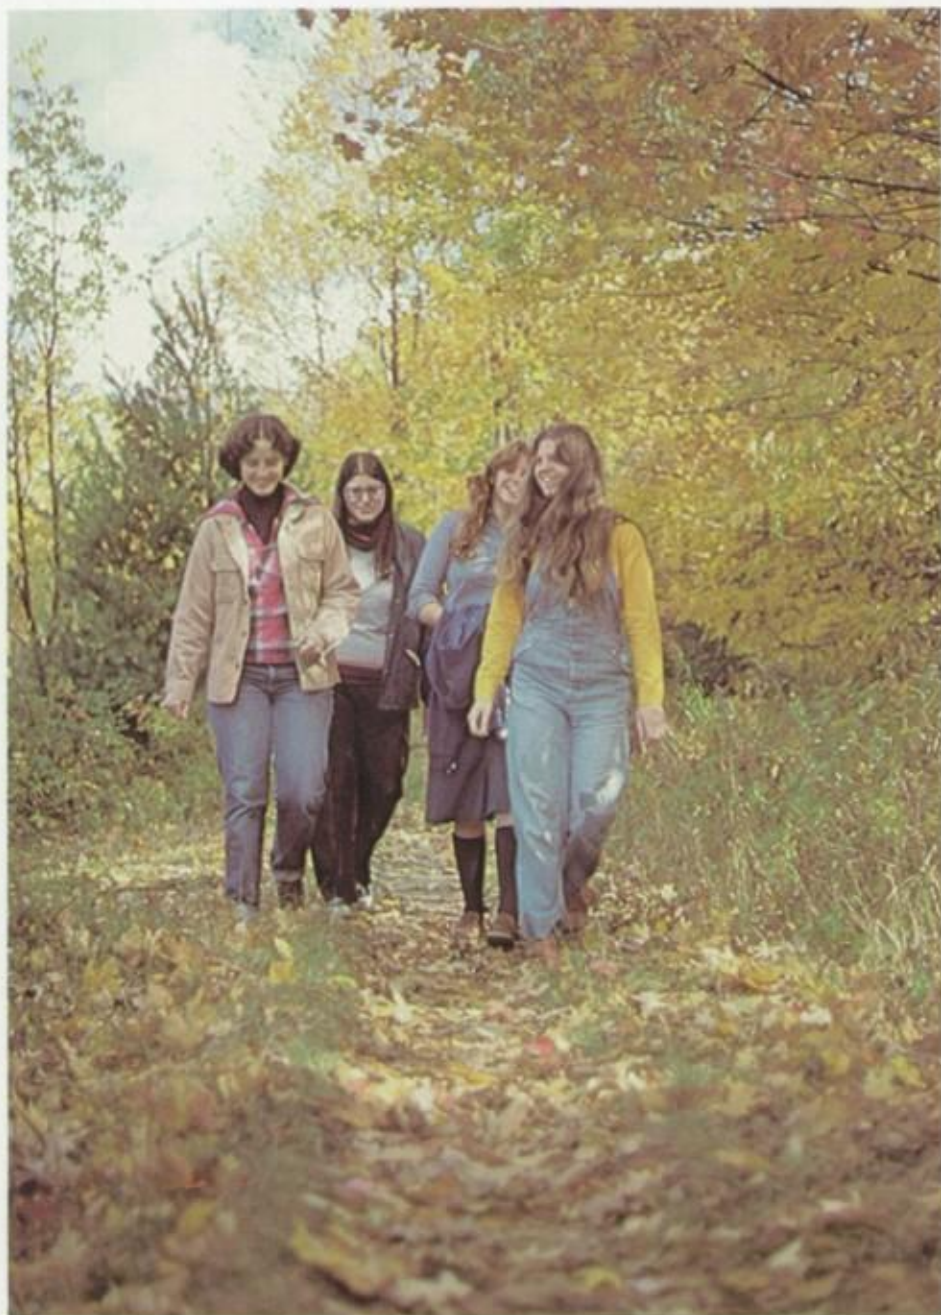

... and heard the sounds

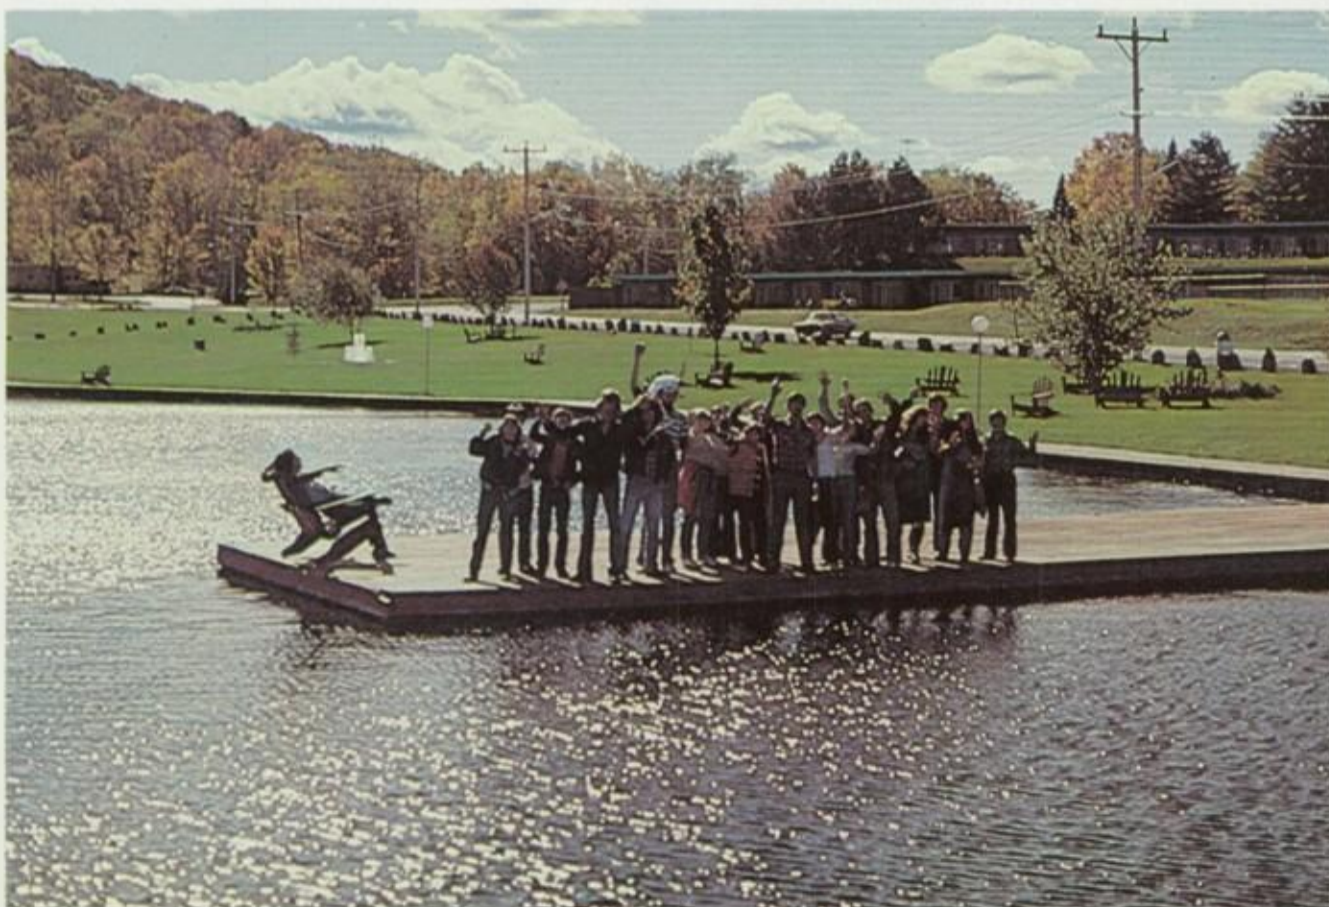

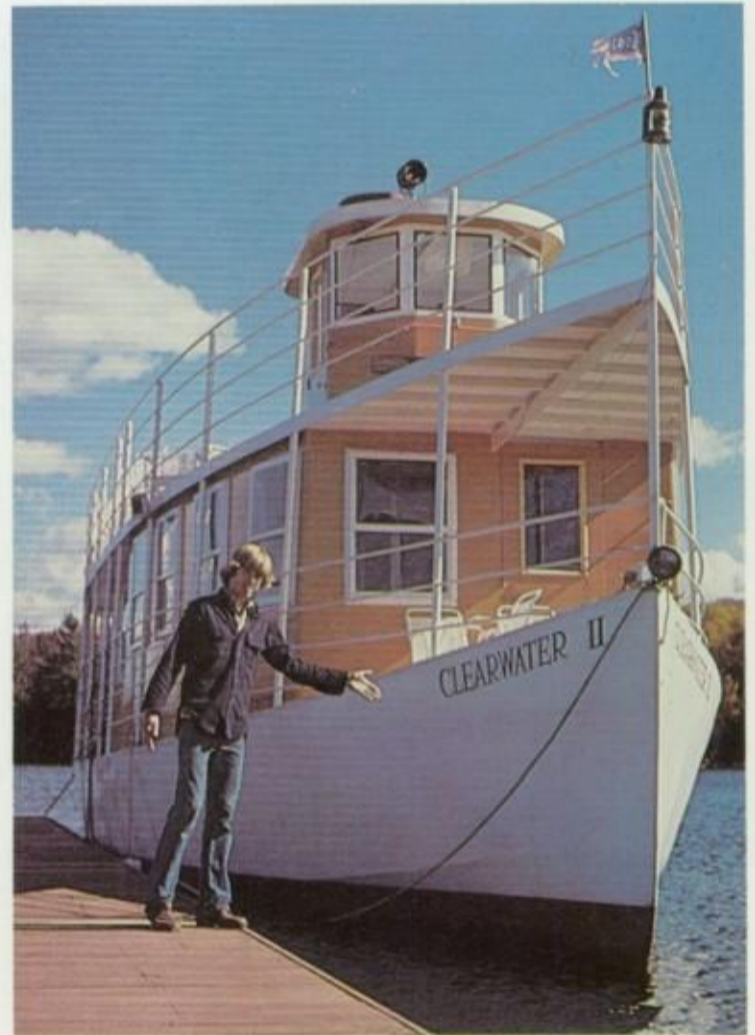

... of life at it's best

We
have
trod
the
many
paths

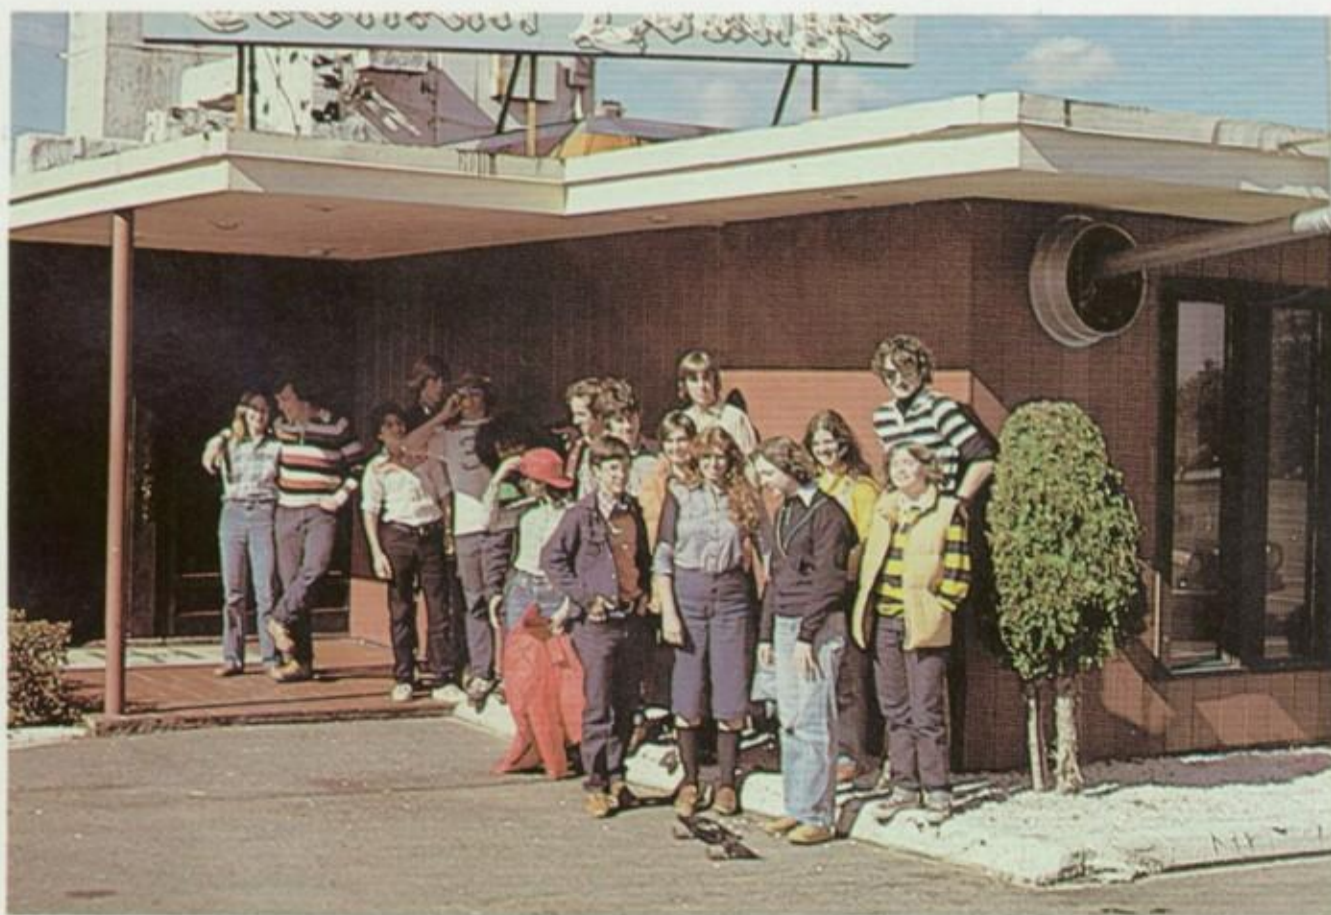

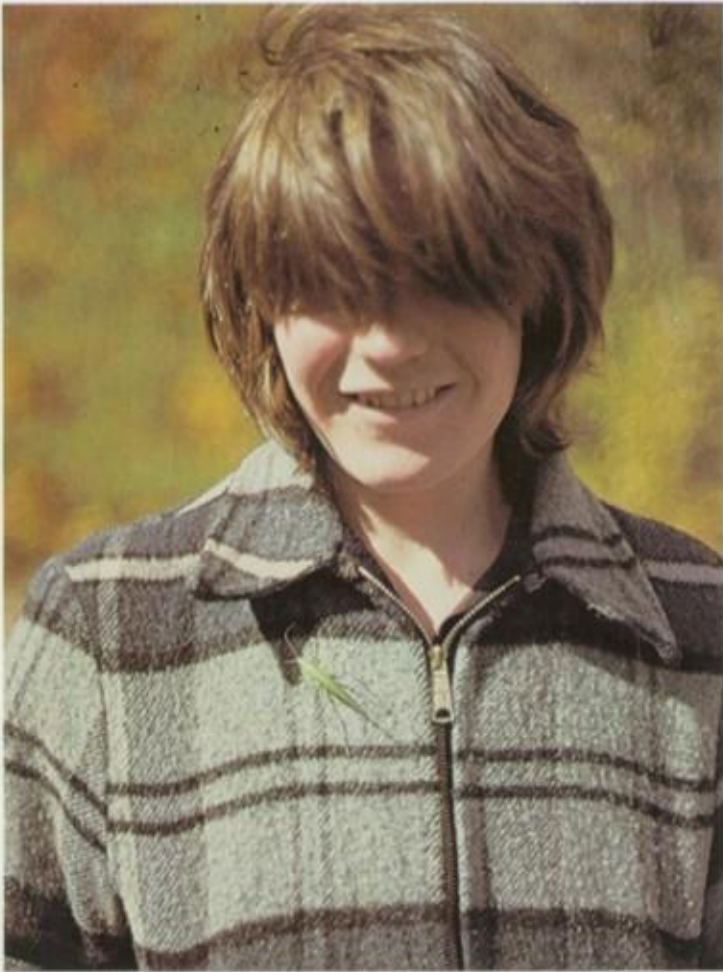

And
lived
the life
that
fills. . . .

And
the
friends
we have
known ...

... will be
with us
always

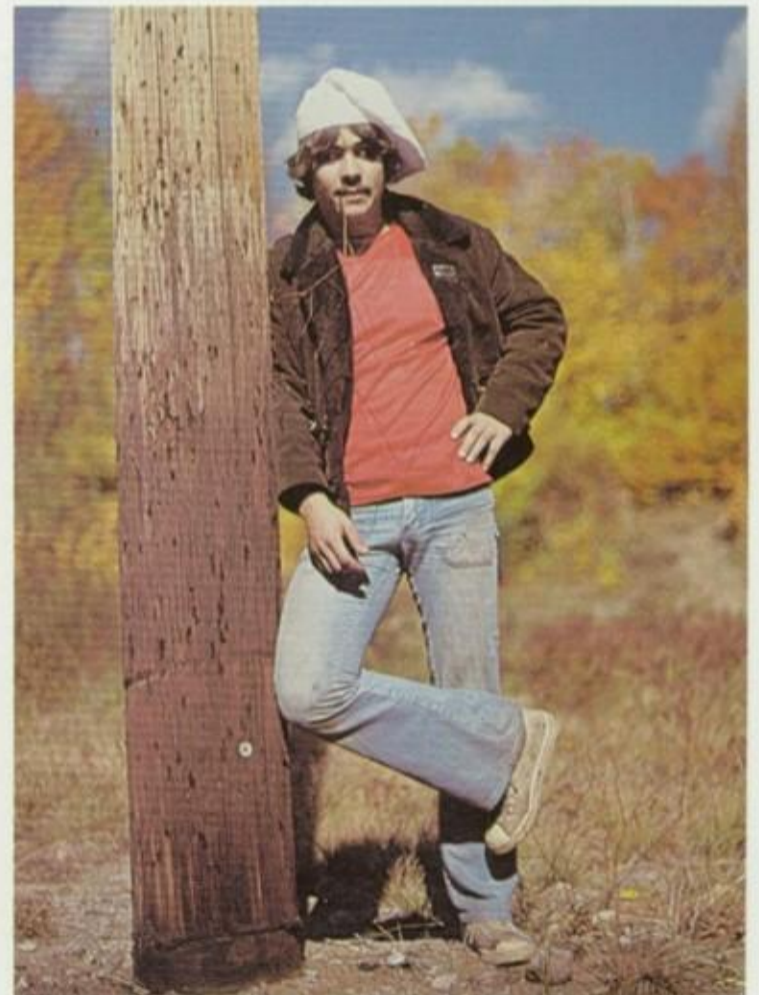

When once again, in a far place

We might chance to meet again . . .

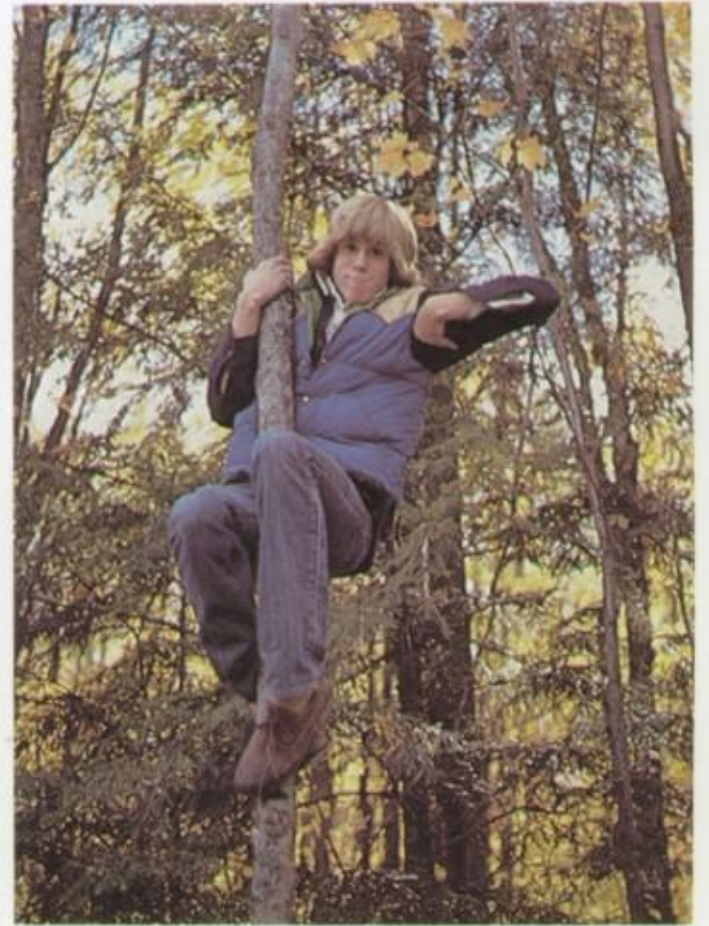

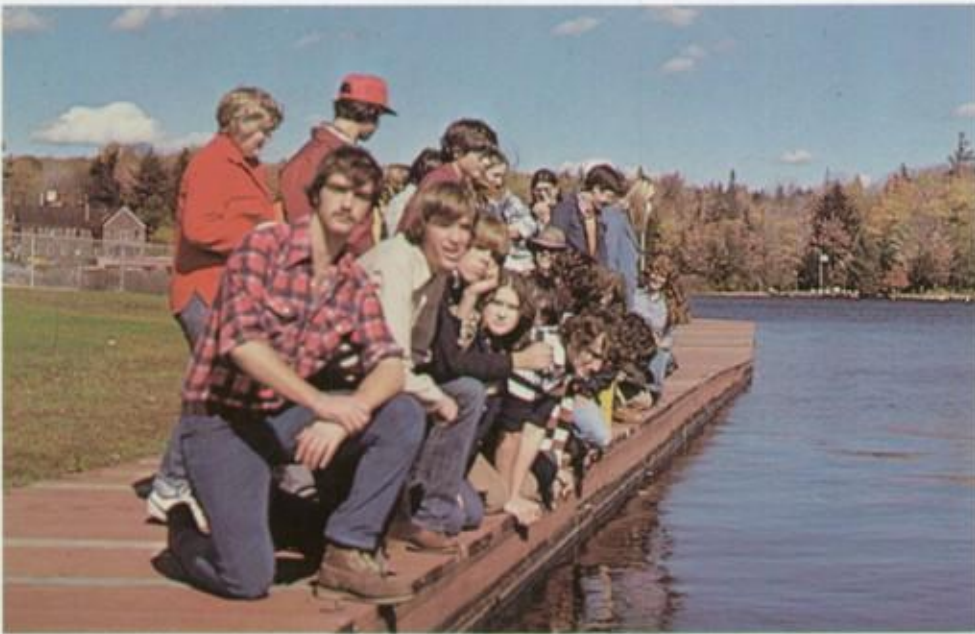

We'll share
a smile of
knowing ...

... for the
times that
once we
knew

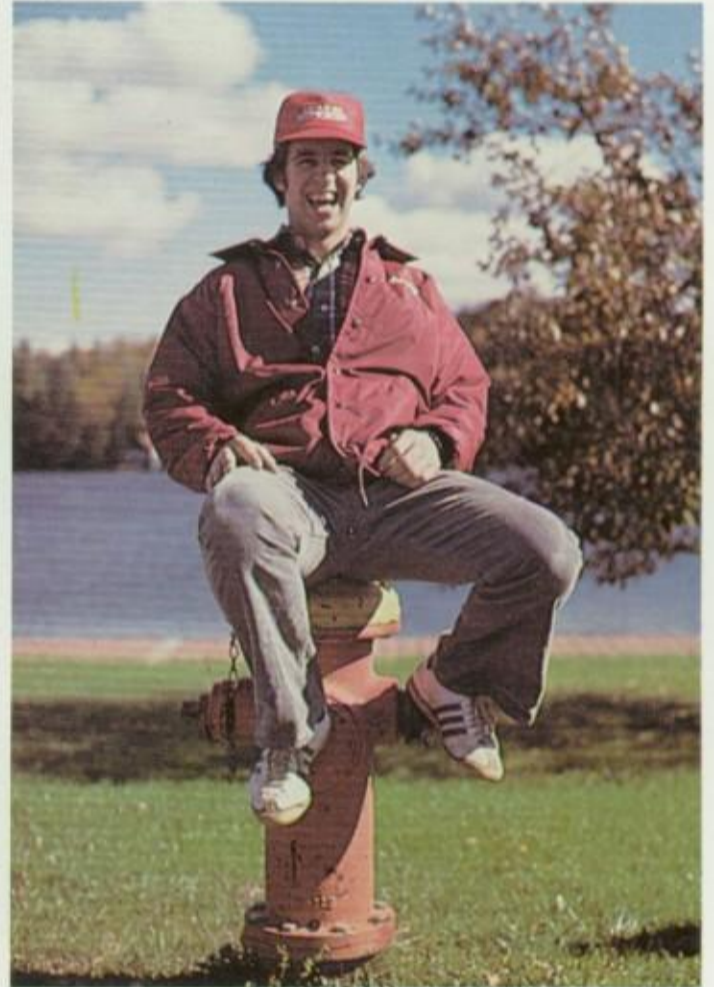

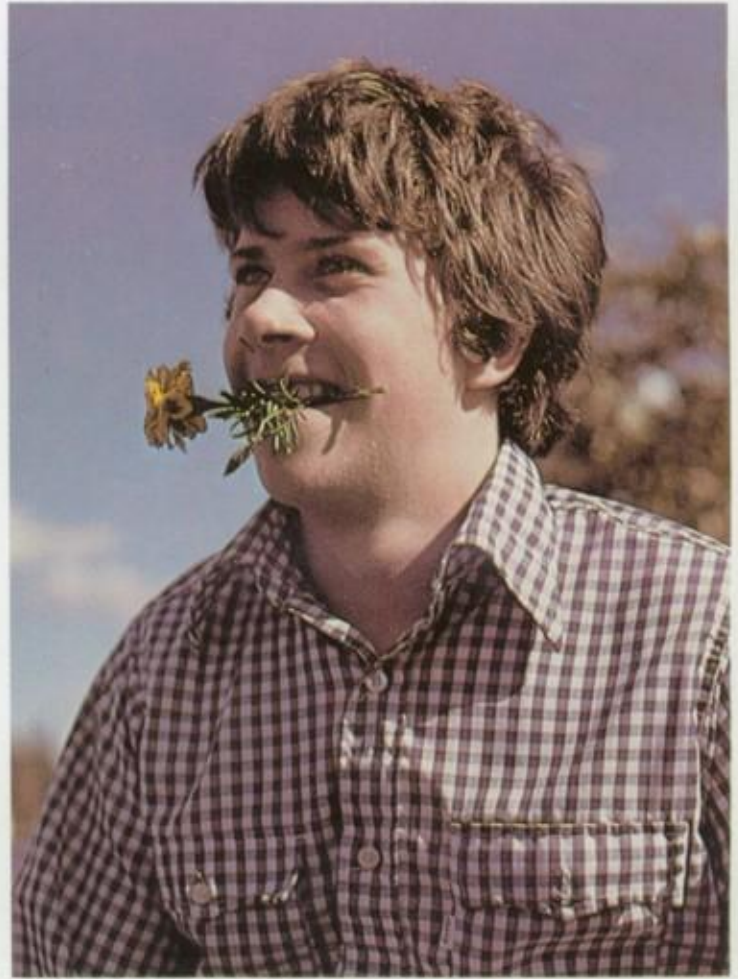

And share the joy of knowing

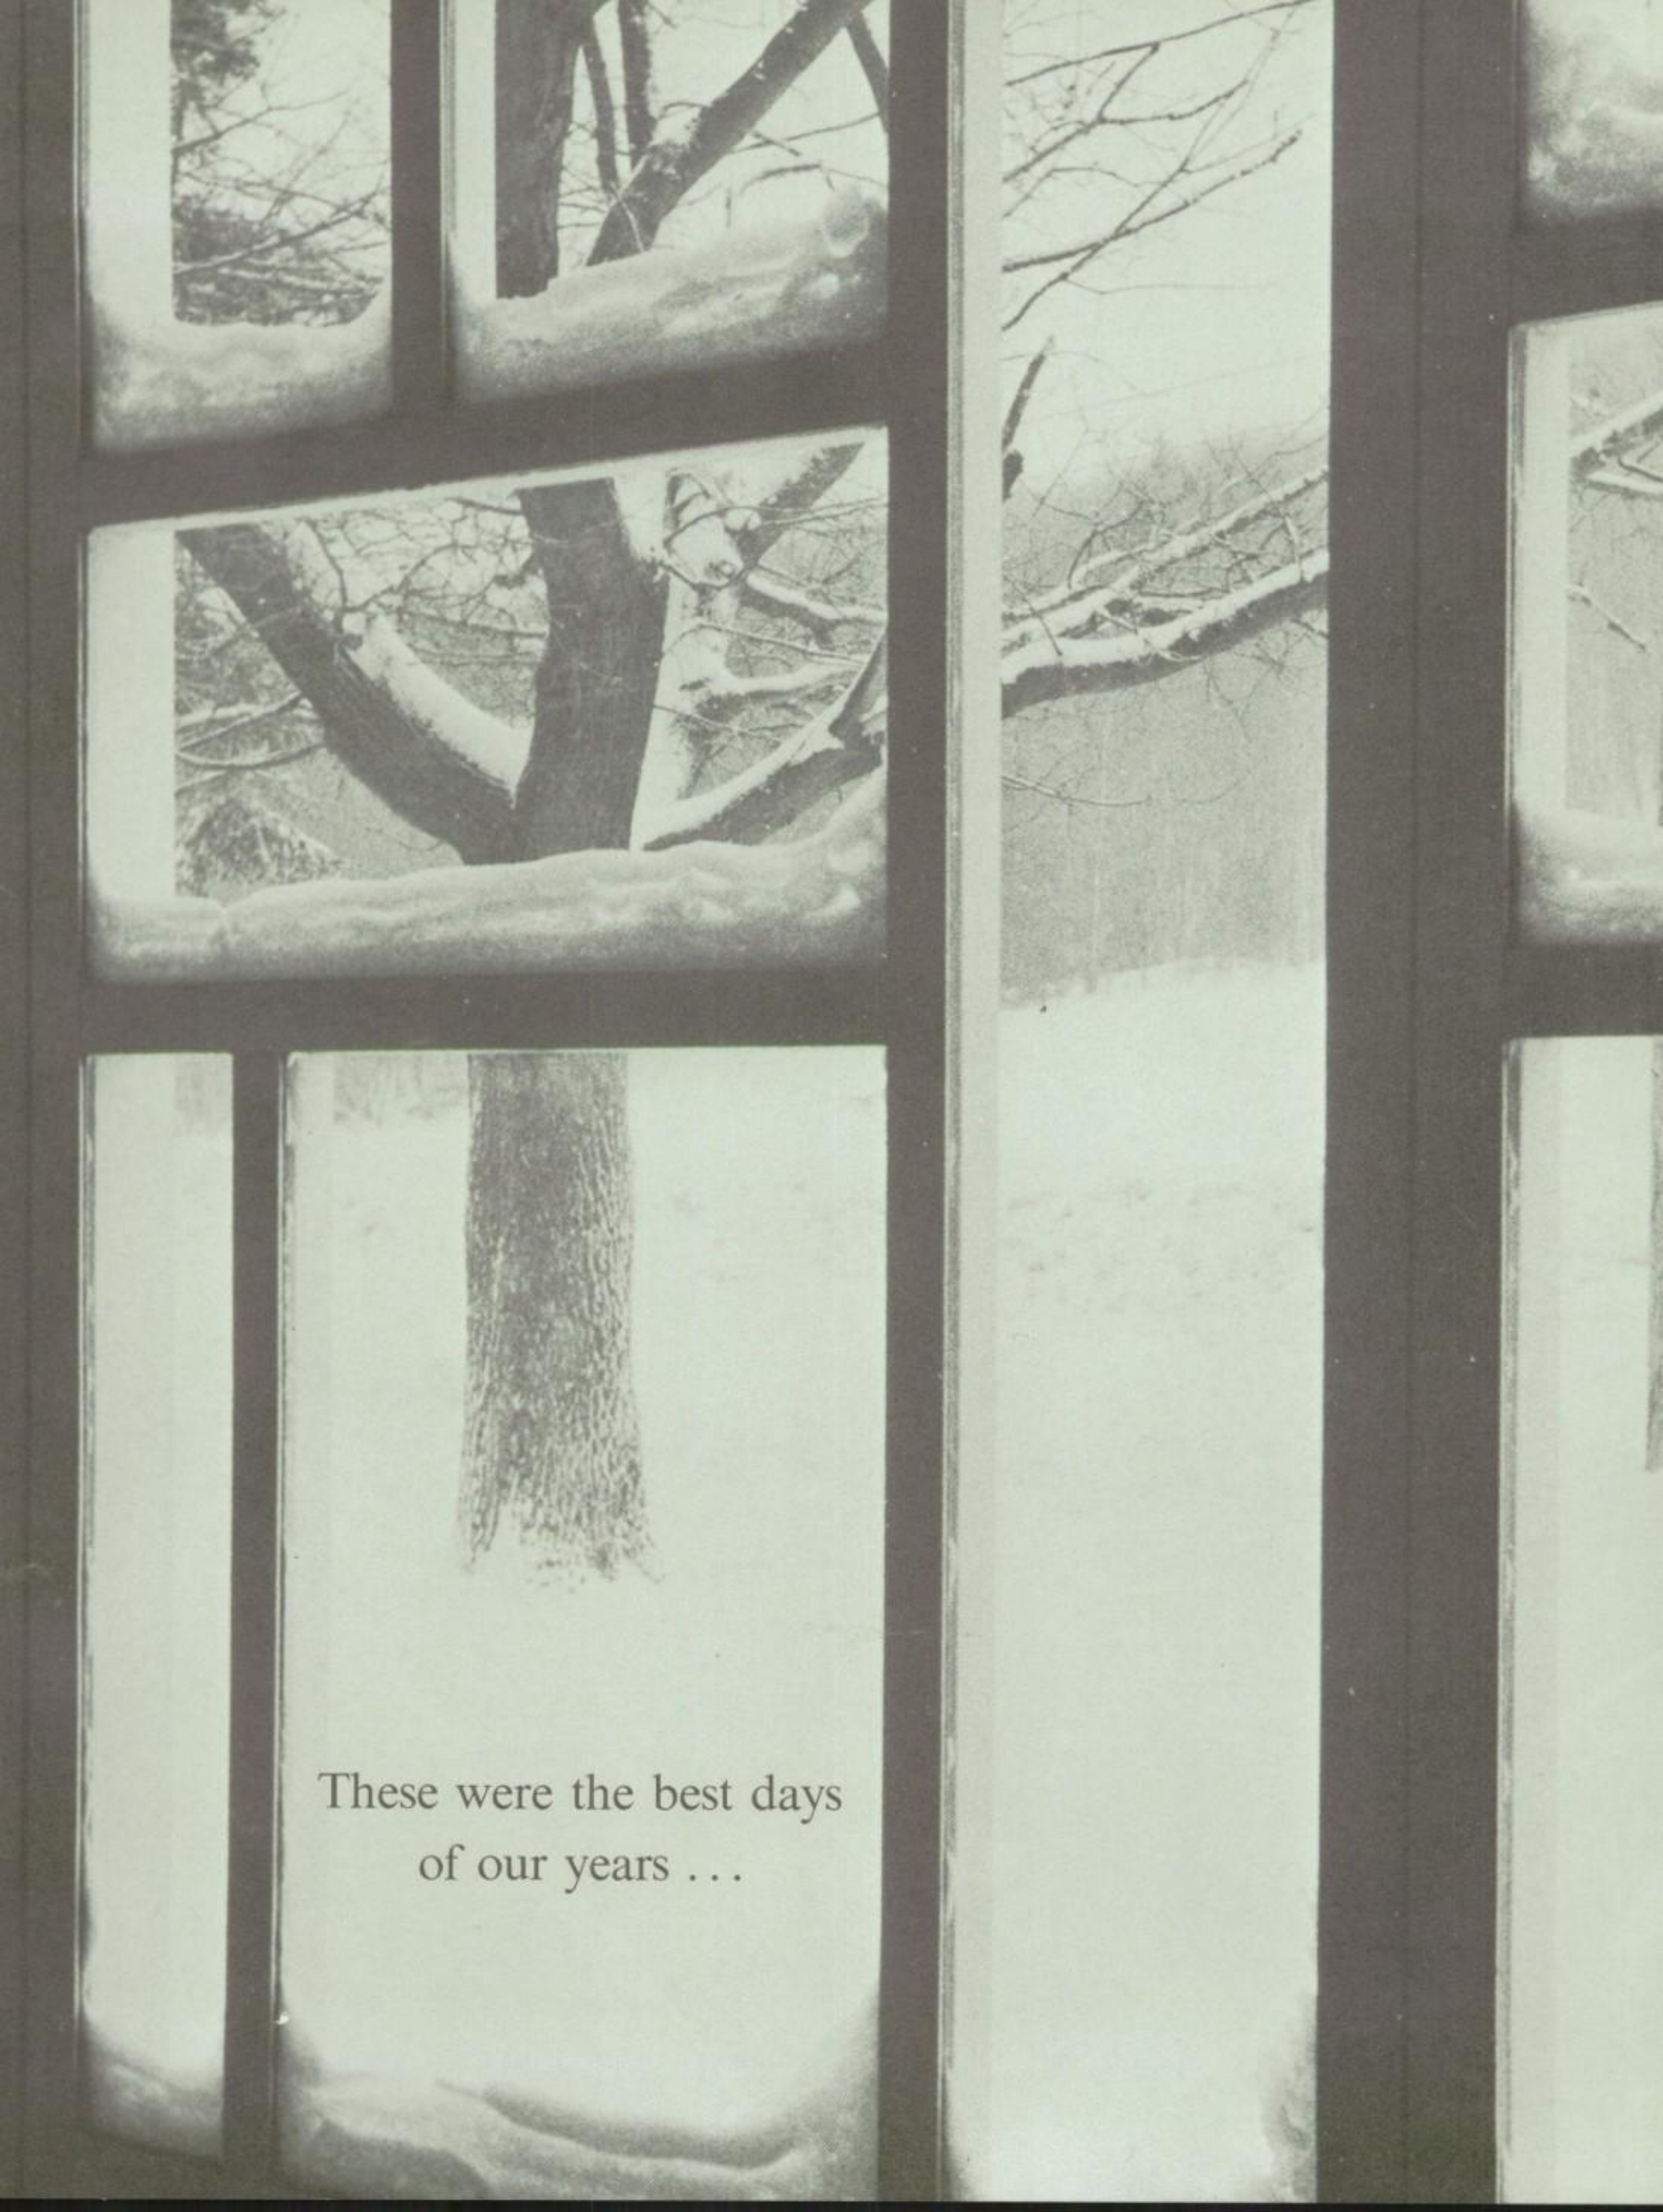

That in
this time
and place ...

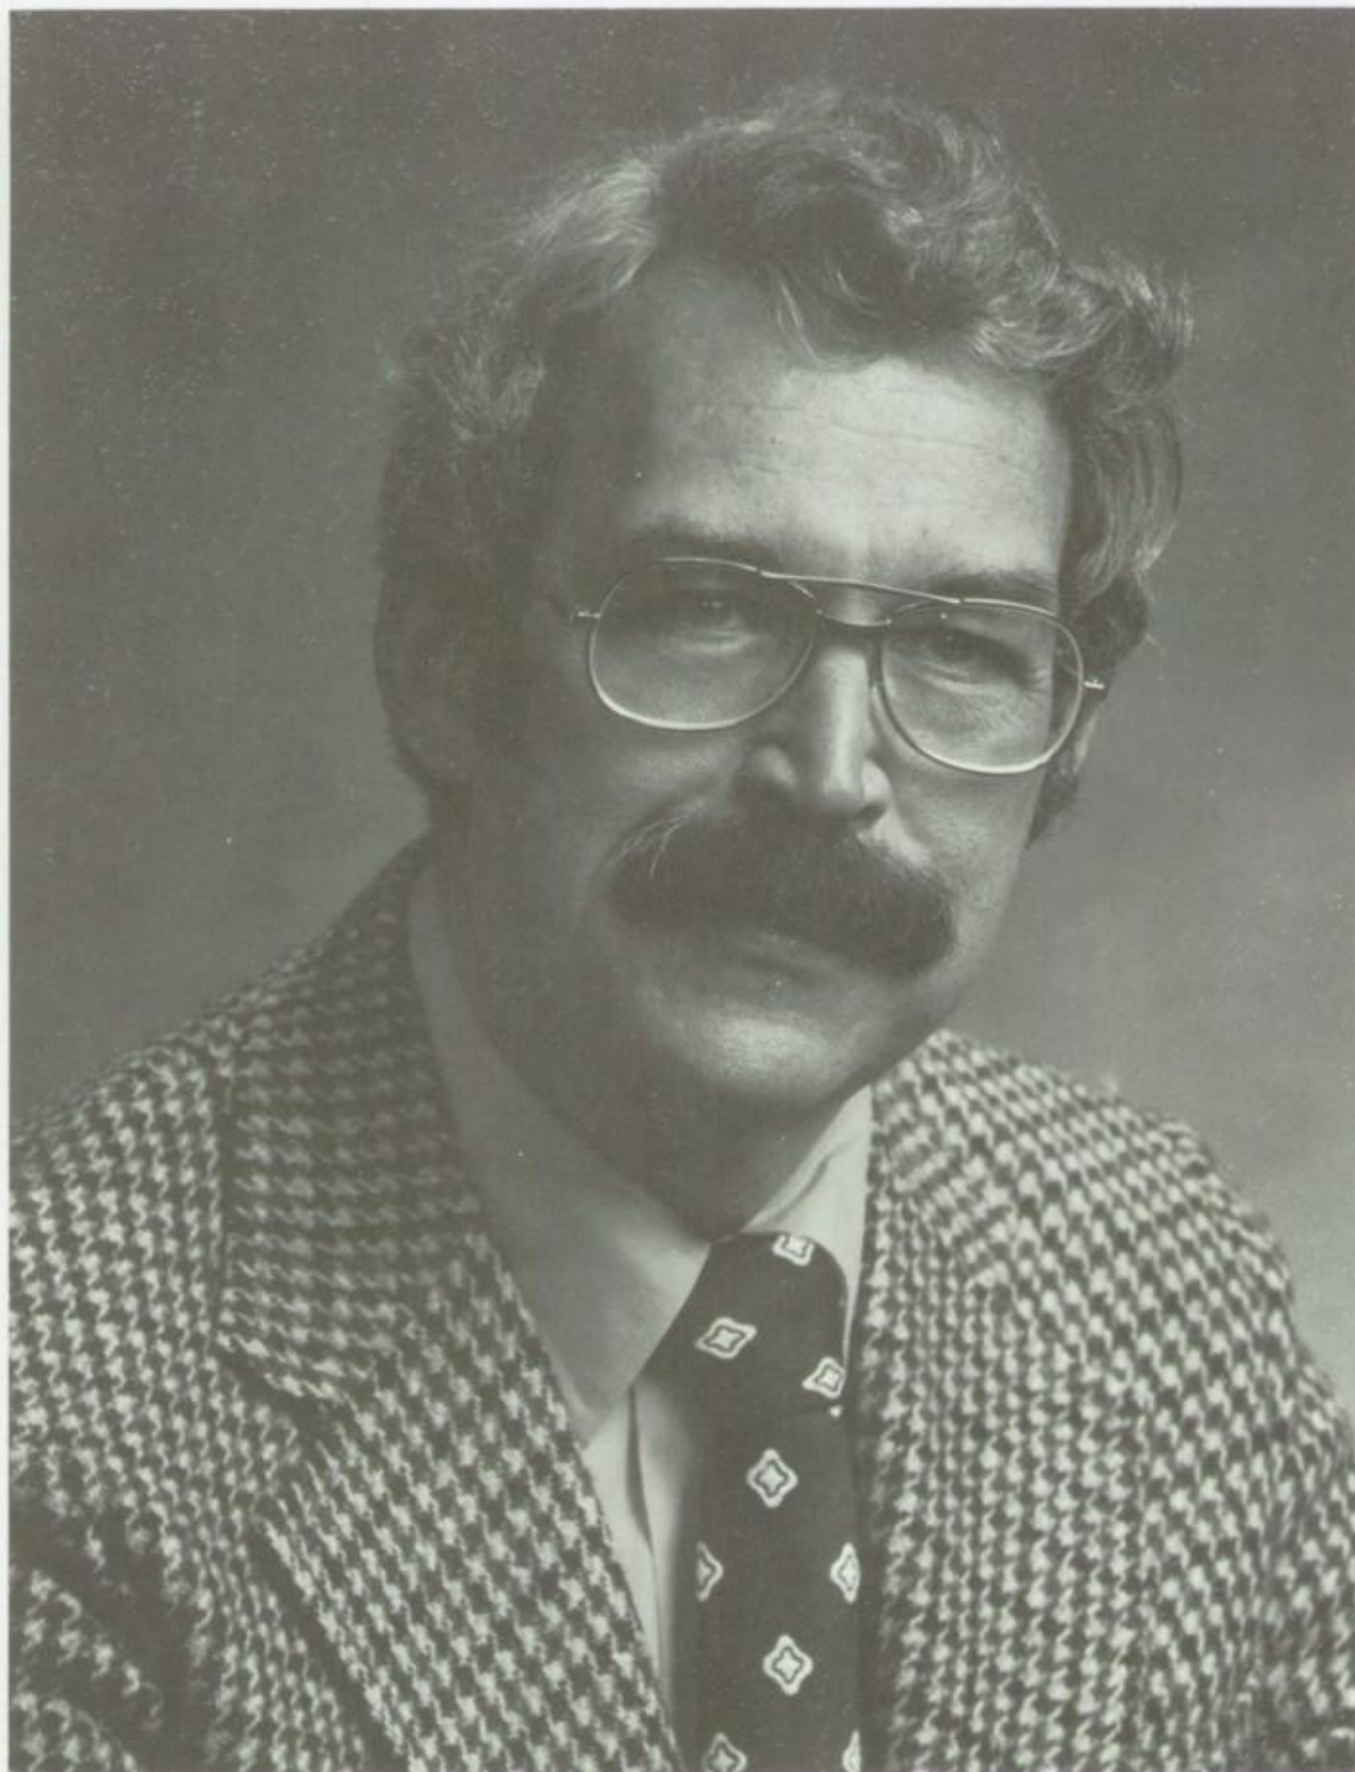

These were the best of the days

A collage of black and white photographs showing winter scenes. The images are arranged in a grid-like fashion, with some photos showing close-ups of snow-covered tree trunks and branches, and others showing wider views of a snowy landscape. The text "These were the best days of our years ..." is printed in a serif font in the lower-left quadrant of the collage.

These were the best days
of our years . . .

PRINCIPAL

The Class of 1978 wishes to express its appreciation to our new principal, Mr. Eugene P. Smith.

It has been many years since any of us have known a new administrative officer in the school, and we are grateful that Mr. Smith has made the year of transition, our final year, one that we can remember with happiness and fond recollections.

We feel that his patience and thoughtfulness for all of us in the school have contributed to our senior year. We might wish that we had had more time to "get to know him", but we are sure that the years to come will be happy and successful for him as well as for us.

We wish Mr. Smith well as we leave, and we hope that he will help the school to continue on its path of success and quality that we have enjoyed.

DEDICATION

The Class of 1978 takes great pride in dedicating its yearbook to Mrs. Annette Eyre.

When the time came to choose the person to honor, the same person came to all our minds — Mrs. Eyre.

Each of us has the deepest respect for Mrs. Eyre. We know of no one who has worked harder at teaching us the gifts of knowledge and humility — both gifts beyond price. Mrs. Eyre will be remembered by all of us as a teacher and person who demanded all that we had — and in the giving of our all, we came out of it better people.

The years to come will leave each of us with her stamp of quality, and the deep memory of what the word “good” really means. Even now, we can truly appreciate her gift.

Thank you Mrs. Eyre, for being a wonderful person and a fine teacher.

When it comes to banking, Oneida National is far and away the most popular bank in our area. And with good reason. With offices throughout Central New York and The Mohawk Valley, we're convenient to where you'll be working or living. We're here to help you with every banking service you could ever need; from checking and savings accounts to auto loans, personal loans and many special features.

We hope you'll come to rely on Oneida National for all your banking needs. But that's a decision for the future. For right now — Congratulations.

If it has anything to do with money, we help.
